# RT-25

## BUILT SMALL TO DO BIG WORK.

Introducing the all-new RT-25 Posi-Track® compact track loader—the smallest machine of its kind. The RT-25 features the productivity and comfort that landscapers, homeowners, rental centers, snow removal businesses, and contractors need. Designed small, the RT-25 offers patented Posi-Track technology with the suspension, traction, and flotation you count on to shape the earth.

// COMFORTABLE CAB. MINIMAL GROUND PRESSURE. MAXIMUM PRODUCTIVITY.
