Nordtrack™ J90 mobile jaw crusher

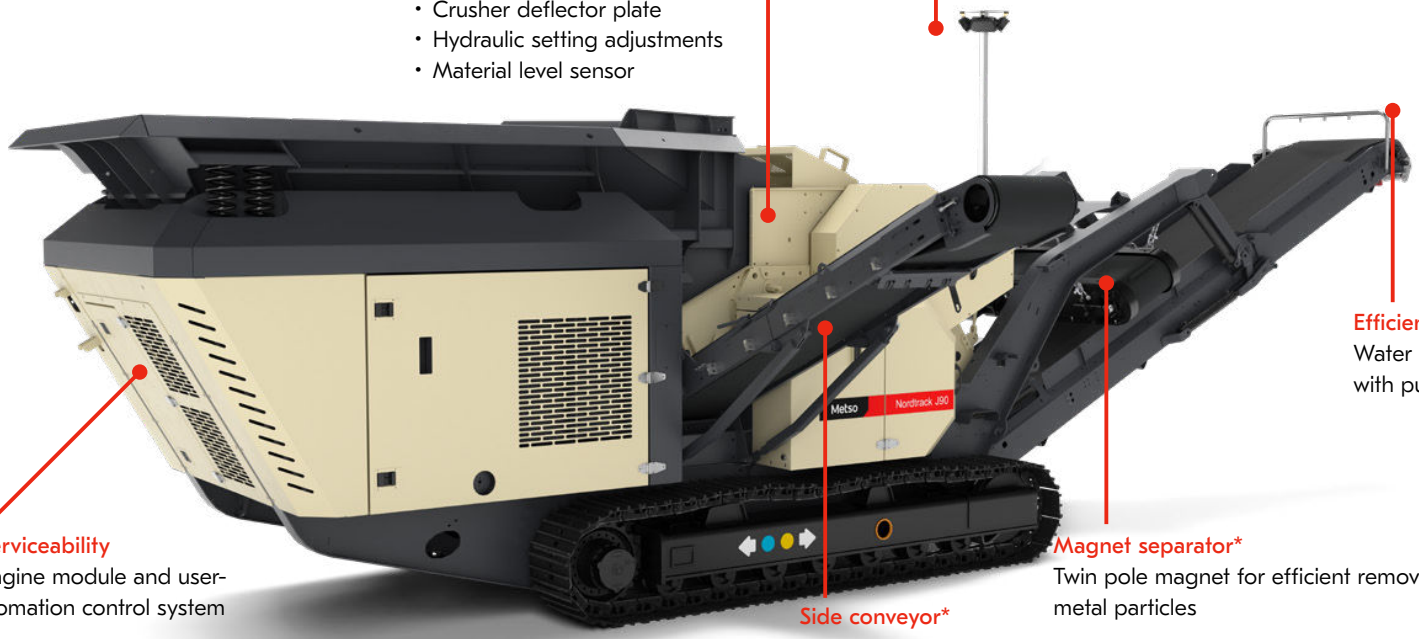
Powerful crushing in a compact size

Made to be mobile for efficient crushing where you need it

The Nordtrack™ J90 mobile jaw crusher gives you excellent crushing performance in a compact and mobile package. With a durable and heavy-duty design, it gives you the reliability you need for your crushing operations in an easily transported form.

Efficient wide jaw crusher
- Automation
- Crusher deflector plate
- Hydraulic setting adjustments
- Material level sensor

Better safety and ergonomics
with working lights



Efficient dust suppression
Water spraying system with pump

Excellent serviceability
Spacious engine module and user-friendly automation control system

Side conveyor*

Magnet separator*
Twin pole magnet for efficient removal of metal particles

* Optional, not included in standard delivery

- High performance crushing in a compact size
- Easy to use and easy to service
- Easy to transport and move on-site
- Versatile solution for rental and plant hires
